

## STUDENT COUNCIL

*The Student Council in the Department of Bioinformatics, Alagappa University is the formal representative body for all students in Bioinformatics, dedicated to addressing challenges and improving student welfare. It serves as a vital link between students and the university administration, actively engaging in tasks to enhance the overall student experience. The council identifies and resolves issues, facilitates communication, and promotes student participation in departmental activities. Advocating for student interests, it communicates with the administration, faculty, and parents, acting as a conduit for information dissemination and addressing student concerns. The Student Council also contributes to the development of educational initiatives, acknowledging student contributions and providing recommendations for enhancing student life. Individual members, including the President and Vice Presidents, have specific responsibilities related to leadership, coordination, feedback collection, event planning, alumni engagement, support for entrepreneurial endeavors, promotion of physical fitness, and participation in corporate social responsibility initiatives. The council's dedicated efforts aim to ensure the holistic development and well-being of students in the Department of Bioinformatics at Alagappa University.*
